PRINCIPAL MESSAGE.....

Government Polytechnic Arvi is one of the premier technical institute in Wardha district. It is located in rural area of Vidharbh and serving the society for over 25 years. I sincerely hope you will take the time to look throughout the newsletter of Chemical Engg. Department and will be happy to know about facilities and opportunities available for the students who are part of this institute.

Our goal is to support the students for their overall development. We take efforts to make our students able to face challenges and stand confidently in the increasingly complex world. The incredible faculty and staff at Government Polytechnic Arvi continue to encourage all students to set high goals for themselves and to reach their dreams. To achieve our mission and vision we will continue to develop and grow future leaders.
